## **Team and Tour Kit Policy**

All items of kit issued to Worcester RFC players or tourists must display the Worcester RFC club crest as the most prominent crest, as defined in the club branding guidelines.

Team Managers or anyone else ordering kit or accessories on behalf of any WRFC team or tour must place all orders with Scimitar Sports. If Scimitar Sports are unable to fulfil the order, authorisation must be sought from the Management Committee in order to seek other suppliers in order to fulfil the order.

All orders with Scimitar Sports must be facilitated via the WRFC Shop Manger.

Club crest must always be positioned on the front top left of any top.

Team crest may be added but must not be more prominent than the Worcester RFC crest.

The Worcester RFC crest must follow the club branding guidelines. The crest design should not be altered in any way.

Team names or tour dates can be added below the WRFC crest.

For general training kit, the club colours should be used. As defined in the brand guidelines. Tour items may vary in colour, subject to committee approval.

All kit and accessory designs must be submitted to the Management Committee for approval before an order is confirmed.

Team and tour kit cannot go through the club accounts and the clubs VAT registration number cannot be used to reclaim VAT on items purchased outside of the clubs accounts.

During our 150th anniversary year (2021-2022 season), kit ordered may use the approved 150-anniversary crest instead of the Worcester RFC crest.
